

American Racer Super Series Rule Book Update

We appreciate everyone's patience as we continue working on the official **American Racer Super Series Rule Book**. Our team is putting in the time to make sure everything is clearly outlined, fair, and consistent for all competitors.

The rule book is currently **still under construction** and will be **released as soon as possible**. We want to ensure every detail is right before it's finalized.

Thank you for your understanding and continued support — stay tuned for the official release announcement soon!
